

## **Short Bio**

(Specifically for speaking introductions)

Kelly Minter is passionate about women coming to know Jesus Christ through the pages of Scripture while discovering Him in their everyday lives. She enjoys encouraging women in this process through speaking, writing and singing, all of which keep her traveling throughout the country on a regular basis. Her roots as the oldest of four and daughter of a godly mother and incredible pastor, Mike Minter, have given Kelly a love for Scripture ever since she was a child.

Kelly's most recent Bible study is on the book of Ruth, aptly entitled "Ruth: Loss, Love & Legacy". This study follows up her first work "No Other Gods", which many were introduced to through Beth Moore's summer Bible study when she took women from her online community through "No Other Gods". Kelly's most recent record "Loss, Love & Legacy" is a collection of songs based on the themes from the book of Ruth. This record follows up "Finer Day", which is Kelly's first worship record for KingsWay Music.

Kelly resides in Nashville, TN where she has found a home in the uniquely artistic town where many create for the glory of God.
